Dear Atty. Malabanan:

This is with reference to your letter dated March 3, 2008, copy of which was received by undersigned through e-mail on March 4, 2008, requiring our Company to explain its alleged failure to comply with the Philippine Stock Exchange (PSE) Memo for Brokers No. 392-2007 dated November 5, 2007.

We respectfully seek the kind consideration of the Honorable Exchange. We wish to inform you that at the end of the calendar year of 2007 our Company undertook to improve and develop the Company's website in order to provide, among others, facilities for the above-mentioned PSE Memo. However, while in the midst of this undertaking, our website became unavailable to the public, which we suspect to have been caused by unauthorized alterations or hacking. This matter has been escalated to our third-party network consultant and is now under investigation. We have set completion of all remedial measures by the end of March 2008.

We wish to assure the Honorable Exchange that our Company is committed to comply with said PSE Memo and other disclosure rules.

Again hoping for your kind consideration.

Very truly yours,

ATTY. WILLIAM S. PAMINTUAN
